The CITY OF DAYTONA BEACH

— "THE WORLD'S MOST FAMOUS BEACH" —

Office of the City Manager

September 21, 2017

Mayor Henry and City Commissioners:

I am pleased to attach the budget adopted by the City Commission of the City of Daytona Beach for the year ending September 30, 2018. This budget was adopted at the City Commission meeting of September 20, 2017. The attached budget was the result of an examination of the Departmental budget requests, forecasts of future revenues, and the priorities of the Mayor and Commissioners as stated at several workshops and City Commission meetings over the past eight months.

The budget is based upon a 6.3333 millage rate, which is 4.57% lower than the current millage rate of 6.6367, and 3.0% above the rollback millage rate of 6.1488. The budget incorporates a 2% raise for all city employees in October, and an additional 2% raise in April. This results in a total increase in average yearly compensation for the year of 3%.

Sincerely,

James V. Chisholm, City Manager
