

City of Daytona Beach

Adopted Budget

FY 2024/25

September 19, 2024

Honorable Mayor and City Commissioners:

Re: Adopted Fiscal Year 2024/25 Budget

Honorable Mayor and City Commissioners:

Adopting a budget for a municipal corporation is one of the primary responsibilities of an elected city official. Arguably in a subsequent priority ranking of importance, comes fiscal sustainability. Therefore, in an effort to summarize our fiscal standing, this correspondence will serve as the official transmittal memorandum for Fiscal Year (FY) 2024/25 Adopted Budget. Overall, it is intended to be a summation of the financial condition of the organization and substantive policy initiatives we will embark upon this upcoming fiscal year. The \$392,298,386 budget is a responsible spending plan which will provide our citizens with exceptional service as in previous years.

Daytona Beach continues to experience tremendous growth. The economy continues to improve locally. However, due to the lingering effects of COVID recovery, some major market indicators predict incremental growth or even stagnation in the near future. The long-range predictions for economic growth vary widely among the experts. Therefore, a conservative and pragmatic approach must be considered in order to ensure financial stability in the coming years in the event of a market correction and any further home rule threats.

The city experienced an increase in taxable value of 11.9%, taking its collective taxable value to \$ 9,504,440,283 from \$ 8,491,498,617 realized in FY 2023/24. We remain cautious of the arbitrary values this time around supported by the boom's high demand and low supply. Because of our prime location, the housing market in Daytona Beach is currently consistently breaking permit records in efforts that will prove to make substantial gains that pay dividends now and will continue to in the future. This has provided for Daytona Beach to construct its FY 2024/25 Budget on a millage rate (5.9300) which is half a mill higher than the millage rate adopted in FY 2023/24 (5.4300).

BUDGET HIGHLIGHTS

Millage Rate and Property Taxes: The FY 2024/25 Adopted Budget is balanced at a millage rate of 5.9300 mills. The millage rate is half a mill higher than the rate levied in FY 2023/24. Based on the taxable property values reported by the Property Appraiser July 1, one mill produces approximately \$ 9,029,219 of budgeted property taxes.

The total gross operating property taxes included in the budget is \$ 53,543,268, of which \$ 2,132,154,771 was generated by \$ 378,477,815 in new construction. The net operating property taxes after the transfer to the Community Redevelopment Agency is \$ 48,223,308.

The gross property taxes in the budget are \$ 7,754,293 higher than would be generated by adopting the rollback millage rate as defined by Florida Statutes. This increase in tax revenues is lower than the increased public safety personal service costs incorporated in the adopted budget compared to the FY 2023/24 Adopted Budget, as calculated below, the increased

general fund debt service requirements of \$ 3,291,041, and the increased general fund transfer to the Community Redevelopment Agencies of \$ 940,645.

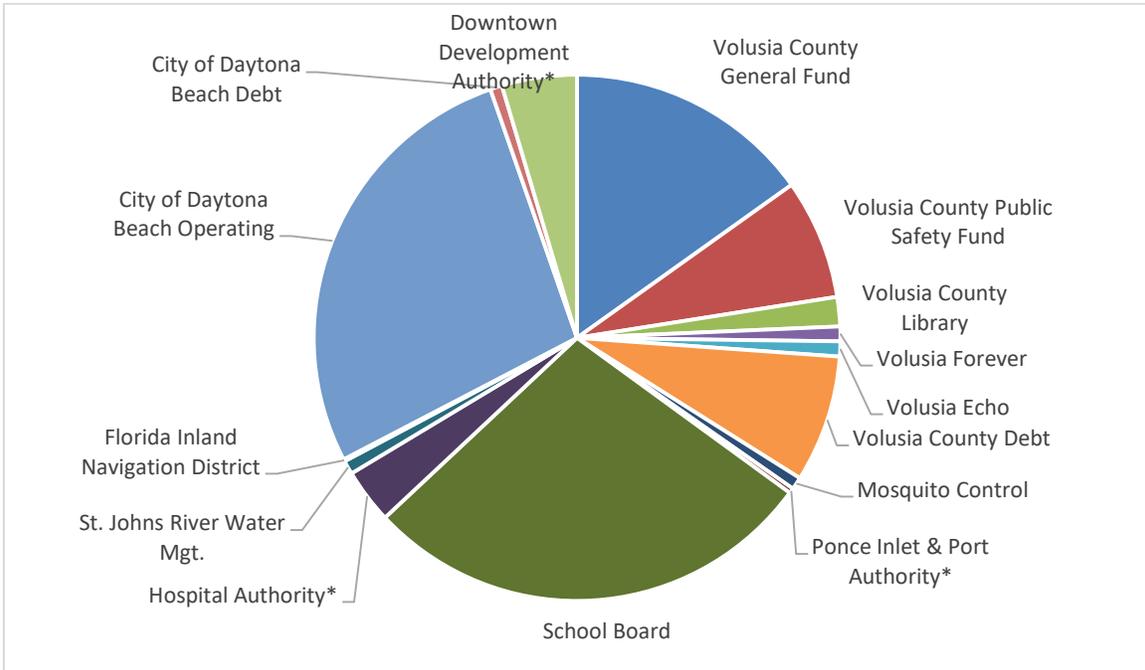

General Fund Public Safety Personal Services			
Fiscal Year	Fire Department	Police Department	
FY 2024/25 (Tentative)	\$ 17,092,998	\$ 42,904,039	\$ 59,997,037
FY 2023/24 (Adopted)	15,947,437	40,353,610	56,301,047
	\$ 1,145,561	\$ 2,550,429	\$ 3,695,990

Property Taxes and the Individual Taxpayer: The individual property owner is charged property taxes by a variety of sources, of which the city is only one. The county and the school board charge approximately the same millage rate as the city, while other entities such as the Halifax Hospital, the water district, and other entities charge less.

According to information from the Volusia County Property Appraiser, the just value of an average homesteaded property in the City of Daytona Beach is \$ 313,209, with a taxable value after exemptions of \$ 144,785 (\$ 166,334 for school tax purposes). This property value would generate the following property taxes for the City of Daytona Beach as well as estimated property taxes for the other entities charging property taxes to the property owners in Daytona Beach:

	Millage Rate	Taxable	Taxes	Percentage
Volusia County General Fund	3.2862	144,785	\$ 475.79	15.14%
Volusia County Public Safety Fund	1.5994	144,785	231.57	7.37%
Volusia County Library	0.3891	144,785	56.34	1.79%
Volusia Forever	0.2000	144,785	28.96	0.92%
Volusia Echo	0.2000	144,785	28.96	0.92%
Volusia County Debt	1.6956	144,785	245.50	7.81%
Mosquito Control*	0.1647	144,785	23.85	0.76%
Ponce Inlet & Port Authority*	0.0692	144,785	10.02	0.32%
School Board	5.2850	166,334	879.08	27.98%
Hospital Authority*	0.7309	144,785	105.82	3.37%
St. Johns River Water Mgt.	0.1793	144,785	25.96	0.83%
Florida Inland Navigation District	0.0288	144,785	4.17	0.13%
City of Daytona Beach Operating	5.9300	144,785	858.57	27.32%
City of Daytona Beach Debt	0.1574	144,785	22.79	0.73%
Downtown Development Authority*	1.0000	144,785	144.78	4.61%
			\$ 3,142.15	

Notes: The Mosquito Control District does not assess property taxes for some portions of the City of Daytona Beach. In some portions of the City of Daytona Beach, the Hospital Authority property tax rate is 1.2620. The Downtown Development Authority only assesses property tax in the downtown area of the City of Daytona Beach.

While every situation varies, in most cases the owner of a homesteaded property would have their taxable property value increased by a maximum of 3%. Reversing this increase would result in a hypothetical taxable property value of \$ 140,568. Using the FY 2023/24 millage rates, this valuation would have generated \$ 763.28 to support the operations and \$ 24.59 towards the voter approved debt of the City of Daytona Beach. This hypothetical tax bill is \$ 93.49 less than the amount currently adopted by the City of Daytona Beach. This represents a 11.87% net increase in the property taxes being charged by the City of Daytona Beach,

Comparative Property Tax Revenues: When per capita property tax revenues for all the municipalities in Volusia County are compared, Daytona Beach's per capital property tax revenues are in line with the other municipalities, based on the information from the Property Appraiser and the Office of Economic and Demographic Research as of April 1, 2023.

It should be noted Daytona Beach provides a variety of taxpayer subsidized facilities and programs that are not provided by other municipalities in the county, such as Municipal Stadium, Tennis Facility, Jackie Robinson Ball Park, Municipal Golf Course, and the Peabody Auditorium. Additionally, the city provides the majority of governmental support for major events such as Bike Week, Biketoberfest, the Daytona 500, the Coke Zero Sugar 400, and the Rolex 24, as well as the influx of tourists that flock to the world's most famous beach.

Grants: Grants are incorporated into the City's budget upon award by the granting agency. These grants leverage City revenues with grant funding from County, State, and Federal governments. The FY 2023/24 budget includes approximately \$ 21,613,087 in grant funding, of which up to \$ 11,901,110 will be carried forward into FY 2024/25. These grants provide an array of services ranging from public safety to capital projects. Future grants will be incorporated into the budget as each grant is awarded and accepted throughout the year.

The City of Daytona Beach receives and administers the following funds from the state and federal governments, which have been incorporated into the tentative budget. These are in addition to \$ 7,695,511 included in the FY 2023/24 budget, of which up to \$ 6,848,501 will be carried forward. (These amounts are included in the totals above.)

Source	Amount
Community Development Block Grant	\$ 629,246
Federal HOME Grants	354,080
SHIP Local Housing Assistance	614,863
	\$ 1,598,189

Finally, the City is the administrator of approximately \$ 7.5 million in federal COVID funds which may be used for a variety of purposes. Of this amount, approximately \$ 5.3 million will be carried forward into FY 2024/25.

In addition to the receipt of these grants, approximately half a million dollars of city funds are provided for various homeless services and over \$ 447,300 is included in the budget for a variety of community support activities.

Employee Benefits: The Adopted Budget contains funding for a 3% pay raise for most regular full-time and part-time employees in October, and an additional 2% pay raise in April. Other employee benefits of note provided to the employees include Group Health Insurance through Florida Health Care Plans (three options), Life Insurance (1x annual salary), membership in the Florida Retirement System for non-public safety employees and membership into the Police Officers' and Firefighters' Retirement System for public safety employees, and an Employee Assistance Program (EAP). Additionally, the City offers tuition reimbursement assistance (up to \$ 1,000 per year), a free gym utilization agreement through the group health insurance plan, and a generous paid leave accrual program.

Employee Positions & Structure: The City added fifteen new positions in the budget as detailed on the positions schedule. Of particular note are six Police Officers, a Code Compliance Inspector, three Firefighters, and a Community Paramedicine Officer.

Enterprise Fund Transfers: The enterprise funds are budgeted to contribute the following amounts to the General Fund:

Fund	Payment in Lieu of Taxes	Transfer
Water & Sewer	\$ 7,929,131	\$ -
Solid Waste	2,902,158	4,045,551
Stormwater	1,859,360	6,739,902
Pier	82,419	-
	\$ 12,773,068	\$ 10,985,453

Community Redevelopment Agency (CRA): The Community Redevelopment Agency supports redevelopment in five different areas of the city. The amounts each section receives is based upon property taxes collected by the city, county, Downtown Development Authority, and the Hospital Authority. The tax calculation is based on the increase in taxable property values from the establishment of the individual CRA section.

The funds received are used to promote economic development within the geographic confines of the individual CRAs. Expenditures for all redevelopment areas will increase for small business and residential grants to encourage additional investment during the current public health emergency. Highlights of expenditures in the Downtown Authority include the second phase of improvements to Beach Street from Bay Street to Fairview Avenue and Doctor Mary McLeod Bethune Boulevard from Ridgewood Avenue to Beach Street, and funding operations and maintenance of the new Riverfront Park Esplanade. Expenditures for Main Street remains focused on strategic land acquisition and public parking opportunities.

	\$ 5,319,960	\$ 5,607,396

Note: The above table does not reflect minor revenue sources, or the payment made by the Downtown Development Authority to the Downtown DDA.

Double Counting: Fund accounting (which is required under generally accepted accounting principles for governmental entities in the United States) results in the double counting of certain revenues and expenditures. As an example, property taxes are recorded as revenue in the general fund. A portion of those taxes will be transferred to debt service funds in order to make that year's required debt payment. Those funds are also recorded as revenues in the debt service fund. Another example is the payment of certain expenditures by internal service funds, such as the Information Technology (IT) Fund. Payments are made by the IT Fund for computer equipment and services. Those payments are recorded within the IT fund as expenditures. However, the individual departments are charged for their allocated portion of those costs by the IT Fund. Those costs are also recorded as expenditures within the fund accounting for their costs.

A different source of double counting is the inclusion of revenues from prior years and expenditures reserved for future years within the annual budget.

The end result is the total budget of \$ 392,298,386 includes several such items. The actual revenues and expenditures attributable to FY 2024/25 are substantially lower, as identified below:

	Revenue	Expenditures
Total Budget	\$ 392,298,386	\$ 392,298,386
Less:		
Interfund Transfers	66,503,740	66,503,740

Carryforward from FY 2023/24	45,505,573	
Carryforward to FY 2023/24		49,126,631
	\$ 255,169,286	\$ 251,548,228

BUDGET CONDITIONS

Like most of the country, the City of Daytona Beach's economy has been negatively impacted by the novel coronavirus (COVID-19) pandemic. The adopted budget reflects continued short term increases in property values. However, the long-term impact governmental responses to the COVID-19 pandemic will have on property values and state shared revenues, such as sales tax, will depend on the length of time it takes for the pandemic-induced economy to settle into a new equilibrium. Additionally, while the GDP has grown for the last eight quarters and the inflation rate has dropped considerably over the past twenty-seven months, it is quite possible that a recession or a return to a higher inflation rate may begin within the next year.

There is a continued interest in new housing opportunities within the city, which started before, during, and after the COVID-19 pandemic shutdown. Daytona Beach has gained more residents than any other Volusia County municipality and increased its population by 15.2% from 71,586 in 2020 to 82,485 in 2023, according to the 2023 Census. U.S. News recognized Daytona Beach as #49 in Best Places to Live in USA, #7 in Best Places to Live in Florida, #7 in Best Places to Retire, #8 in Fastest-Growing Places, #9 in Safest Places to Live. According to U.S. News, "life in Daytona Beach is balanced by museums, theaters, performing arts centers, antique markets, restaurants, malls and colleges that combine to make Daytona Beach one of Florida's most well-rounded metro areas". In recent years, more than 10,000 single-family residential and apartment rental units have been recently completed or are currently under construction, with additional units being planned. Several complexes are "class A" apartments with high-end features and amenities, while others are fully furnished, resort-style apartments or geared toward college students. Commissioners have also actively pursued workforce housing prospects and have taken local legislative action to incentivize developers to address the area's affordable housing quandary.

As stated earlier, this budget is balanced with a millage rate of 5.9300 mills. The City's General Fund budget is \$ 155,195,016 and the overall City budget is \$ 392,298,386. Increased valuations, as well as record new growth and annexations, mainly single-family residential construction, which is one of the most rapidly growing sectors of the economy, has provided for sustained budget conditions this year. Residential construction accounts for approximately 47.09% of the City's taxable value with commercial properties representing approximately 33.7% of the City's taxable value. New construction makes up 3.98% of the taxable value of property in the City. The inflation rate for the past year has continued to drop from the twenty year high we experienced in the previous years. We cannot predict whether inflation rates will return to normal, or if the rates will return to the levels previously experienced. I cannot stress enough the importance of not overextending in the event of a soft market correction; because

with new growth comes additional problems and demands we are seeing in our roadways and utilities.

Personnel expenditures are generally one of the most important components of any annual budget, representing 45.91% of the total current City-Wide expenditures and 53.18% of General Fund expenditures. The cost to provide gainful employment at competitive wages is continuously increasing, and there comes a point where operational efficiencies can only render so many savings for the organization. If future tax growth does not continue at the same pace, additional challenges will be experienced by every government entity in the state of Florida. We must act appropriately in our investments and make sure we are managing the public funds judiciously, while it is also critically important, we continue to promote responsive public service. To that end, four years ago, the city began to address the level of employee compensation by implementing a minimum living wage for all full-time employees (\$ 31,200 annually). In previous years we substantially increased the salaries of our public safety employees. We have been increasing salaries twice a year, with this year's increases lowered to a 3% raise in October, followed by 2% the following April. However, continuing to fund this program will require the City maintain its growth rate in taxable values. We aim to make the City of Daytona Beach the "employer of choice" and have made giant leaps towards it. Evidence of such is that the city was recognized in 2019 as one of the "Best Places To Work" in Volusia/Flagler Counties by the News Journal.

As we accelerate the vision, goals, objectives and ideas of the elected officials, citizens, business community, and staff, your continued support and leadership will cement our desire to not only be the employer of choice, but the City of Choice when individuals and families are deciding where to live, work, play, learn, and raise a family.

Respectfully submitted,

Deric C. Feacher
